The tastiest good meals delivered

The Good Meal Co is Australia's leading provider of home-style meals with over two decades of experience in supplying public hospitals, NDIS participants and Home Care clients.

We're dedicated to spreading the joy of food across Australia to everyone in need of nourishing and extremely tasty, restaurant-quality meals – snap frozen and home delivered so your clients eat, feel and live better.

Affordably Good Meals

Your clients only need to pay a small contribution to the cost of each meal as the rest is funded by their NDIS plan or Home Care package.

Get started today!

1. Complete our referral form for each new client and we'll take care of everything
2. Our friendly and caring team will contact each of your clients to help them place their first order and arrange a regular call to look after their ongoing meal requirements.

- Free, contactless deliveries
- Australia-wide
- No lock-in contracts
